WHO WE ARE

About Petra

Petra Construction Co. (Pvt.) Ltd. is a Sri Lankan construction and engineering company delivering precision-built residential and commercial structures. From complex foundations to fully finished luxury homes, we combine sound engineering with careful craftsmanship.

Founded by an internationally trained civil engineer, every project is managed end to end by qualified engineers and quantity surveyors, so clients deal with professionals at every stage.

WHY CHOOSE PETRA

Engineer-led

Every project run by qualified engineers and quantity surveyors.

Transparent costing

Detailed BOQs and accurate estimates, no surprises.

Quality finishes

Luxury-standard detailing and craftsmanship throughout.

On-time, safe delivery

Disciplined sites and realistic, dependable programmes.
